I prefer to work in a team, whether as a team leader, or with shared responsibilities, or just as a team member. I can cope with the pressure; I'll try all sorts of things, before I say it can't be done. I will give my best in whatever I'm doing. When I fail, I try to learn out of it so that next time I can do better.

Personal Motto

Give your best, in spite of the circumstances.
